The Democracy.—Colonel J. W. Howard, of Michigan, addressed the Democracy of this place at the Court-house, in a speech of more than two hours in length, on Saturday evening last. He said some things funny, some things reliculous, and some things prepaserous. Re talked a great deal that didn't amount to much. Among other things, he gave us the information that the Republican party was defunct. This that the Republican party was defunct. This is certainly news to us, and all we have to say is that it is the livest dead institution that we are acquainted with. How unfortunate (for the Democracy) that Vermont, Maine, Colorado and New Mexico were not possessed of the same information that this gifted champion of the Democracy imparted to his hearers!

Republican Rally.—The first Republican raily of the compaign, in this place, came off on Manday executing last. A fine termi-light procession paraded through the principal streets, and in point of numbers, it was fur ahead of anything that we expect to see mustered by the opposition. A fine band of music accompanied, and the celast of the occasion gave evidence that something of the spirit and enthusiasm of past years was again manifesting itself, betakening an October and November triumph that does a whole-souled Republican good to contemplate.

Mr. Athley entertained the large andience at the Court-house, in a speech of about two hours in length, in which he discussed the finan-cial issue of the campaign, and drew a striking contrast between the two candidates for the Presidency, now before the country, predicting an overwhelming triumph of the principles that have sustained the Government during the past eight verts.

FEARFUL CASUALTY. One Person Slightly Injured and Two Others Horribly Mangled by the Fremature Discharge of a Cannon.

A frightful calamity, on Friday of last week, about 11 o'clock, east a gloom upon our community. In Bring the cannon, after the Republicans had raised their pole and run up their flag, a premature discharge took place, by which one person was alightly injured and two others terribly mangled. After the cartridge of powder had been sent to its place in the gun, a wisp of hay was rolled into a ball and after being soaked in water, was rammed to its place, but before there was time to withdraw the ramed, the load was discharged, ind the two rammers—Santet Farren, Jr., and Farrencated Hotlicars sent recling to the ground, mangled, burned, bleeding and blackened with powder. kinds of Humors. Scrofula, Sourry, Salt-Rheum, Carbun-cles and Boils, Ulcers and all obstinate Affections of the Skin, Inflammatory or Chronic Rheumatism, Piles, Chronic Diarrhoa, Mercurial Diseases, and every taint of the System; Dyspepala, and those Affections originating in the Derangement of the Digestive Organs; viz., Billous Complaints, Neuralgia, and Norvous Affections, Headache, Languer, and Depression of Spirits, Loss of Appetite, Constitution

prepared by Dr. J. W. POLAND, in 1847, and was then employed with great success to expelling humors from the blood; but in 1848 a medical friend who was quite celebrated as a physicinn, especially in the treatment of humors, sug-gested some important improvements, which were adopted, and which has made it (so the people say) the very best remedy for all kinds of bumars known to "the faculty."

This preparation is composed entirely of vegetables, among which are Sursaparilla, Yellow Dock, Nobie Pinc, Mandruke, and Bloodroot. When the originator fived in New Hampshire, at ioffstown Centre, for the space of thirty or forty illes around, and in Mauchester particularly, the Humor Doctor was well known and highly valued for the numerous and wonderful cares which it effeeted. Though manufictured in large quantities, the supply was frequently exhausted, and purchasers had to wait for more to be made. In that reglan, some very severe cases of Erysipelas were treated with, - and they were cared! Erysipelas sores, or carboneles, - those ugly, painful uluers, -were cutirely removed wherever this medicina was faithfully used. So it was with Scrofula and S.dt-Rheum. The Humor Doctor coved them. It is free from any dangerous drugs, is pleasant to the taste, safe, yet sure and effective in its action.
